Sir:

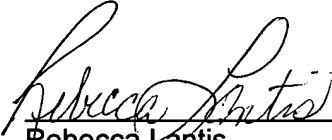

DECLARATION OF REBECCA LANTIS

I, Rebecca Lantis, hereby declare as follows:

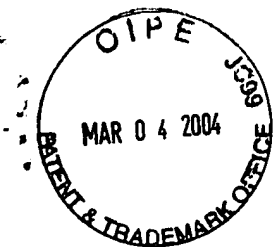

- 1) I am a paralegal employed by Matthew R. Jenkins, Esq. of Jacox, Meckstroth & Jenkins.
- 2) On October 31, 2003, I attended to filing the above-referenced patent application via Express Mail.
- 3) As a standard procedure, prior to depositing a patent application with the United States Postal Service, I assemble the application as it is to be filed (Transmittal Sheet, Fee Sheet, Application Data Sheet, Power of Attorney, Application, Drawings and Declaration in Support of Patent Application) along with the return receipt postcard and have it reviewed by our Office Manager, Marilyn McIntosh.
- 4) After the application is approved by the Office Manager, I confirm that all claims and drawing figures are included with the application. I do this by reviewing the Brief Description of Drawings in the specification and comparing the Figure numbers listed in the Brief Description of Drawing to the actual sheets of drawings attached to the Utility Application Transmittal Form (PTO/SB/05) in order to confirm that all drawings referenced in the Brief Description of Drawing have been included and to confirm that all Figures which are attached are included in the Brief Description.
- 5) After confirming the Brief Description of Drawings and the attached Figures correspond to each other, I then check the return postcard to confirm that the correct

number of drawing sheets is indicated on the return card along with the range of Figures included with the submission.

- 6) After confirming that all documents correspond to each other, I deposit the application with the United States Postal Service via Express Mail.
- 7) I further declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under §1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

DECLARATION OF MARILYN MCINTOSH

I, Marilyn McIntosh, hereby declare as follows:

- 1) I am the Office Manager for Matthew R. Jenkins, Esq. of Jacox, Meckstroth & Jenkins.
- 2) On October 31, 2003, I reviewed the above-referenced patent application prior to it being filed via Express Mail.
- 3) I reviewed the above-referenced application in accordance with our Firm's standard procedure as follows:
 - a) As a standard procedure, prior to a patent application being deposited with the United States Postal Service, the application is assembled as it is to be filed (Transmittal Sheet, Fee Sheet, Application Data Sheet, Application, Drawings, Declaration in Support of Patent Application and Power of Attorney) along with the return receipt postcard and given to me for review.
 - b) I review the application to assure it is complete, having a specification, at least one claim, drawings (if applicable), an Abstract and a Declaration in Support of Patent Application.
 - c) I review the Brief Description of Drawings in the specification and compare the Figure numbers listed in the Brief Description of Drawings to the actual sheets of drawings attached to the Utility Application Transmittal Form (PTO/SB/05) in order to confirm that all drawings referenced in the Brief Description of Drawing have

been included and confirm that all Figures which are attached are included in the Brief Description.

- d) After confirming the Brief Description of Drawings and the attached Figures correspond to each other, I then check the return postcard to confirm that the correct number of drawing sheets is indicated on the return card along with the number or Figures included with the submission.
 - e) After confirming all documents correspond to each other, I return the application to the individual who will be depositing it with the United States Postal Service via Express Mail.
- 4) I further declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under §1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
